ATLANTA ([PRWEB](#)) June 06, 2018 -- The NSW Government in Sydney, NSW, Australia, has been awarded by Conway Inc. as the host for the 16th annual World Forum for Foreign Direct Investment. The event will be held on 17-19 June 2019 and will attract hundreds of senior leaders from around the world.

“We’re thrilled to announce that the World Forum for FDI is going to Sydney, NSW!” said Adam Jones-Kelly, President, Conway, Inc. “Australia is a premier destination for FDI, and Sydney is one of the world’s great cities, an irresistible draw from all corners of the globe.”

The World Forum for FDI provides a platform for dialogue around the most critical issues facing the global economy. During the three-day conference, global leaders and experts will engage in candid panel discussions around topics such as the key drivers behind corporate expansion decisions, workforce development issues and incentives, and challenges companies face when establishing a presence in new countries, cities, and zones. Delegates will also participate in world-class networking events.

“The NSW Government is proud to sponsor the world's leading event dedicated to cross-border investment,” said the Hon. Niall Blair, New South Wales Minister for Trade and Industry. “The NSW Government works hard to attract foreign investment that drives business expansion and generates jobs across the state. Hosting the 2019 World Forum for Foreign Direct Investment in Sydney will be yet another great opportunity to boost these efforts and ensure continued growth in the sector.”

Prior to the World Forum for FDI, Conway will conduct a one-day FDI Training Seminar. The seminar will detail global best practices, new ideas on marketing, and the latest strategies for attracting and increasing foreign direct investment. There’s also much to see and do in New South Wales. Leading up to the World Forum for FDI, delegates can attend Vivid Sydney, a spectacular multi-award-winning festival of light, music and ideas.
